Vacancy Announcement

**LOCATION: CENTRAL VALLEY REGIONAL WATER QUALITY CONTROL BOARD,
11020 SUN CENTER DRIVE, #200, RANCHO CORDOVA, CA 95670-6114**

The Sacramento office of the California Regional Water Quality Control Board, Central Valley Region has a vacant position in the Irrigated Lands Program Support Unit of the new Irrigated Lands Section. This is a permanent full-time Water Resource Control Engineer position to help implement this program throughout the Central Valley.

WATER RESOURCE CONTROL ENGINEER (RPA 150-46)

DUTIES: Work with federal, State and local government agencies, Coalition Groups, individual growers and the public in implementing the Irrigated Lands Conditional Waiver Program. Develop, review and complete policy and technical reports, respond to comment letters, emails, other requests from stakeholders, prepare Regional and State Board agenda materials, present agenda material at Regional and State Board meetings, participate in public meetings and hearings, prepare technical correspondence and reports, prepare and review environmental documents; conduct field inspections, coordinate with other programs within the Board and other State, federal and local agencies and provide good customer service.

NECESSARY QUALIFICATIONS: Effective communication skills including both verbal and writing skills; ability to work well with other disciplines; good customer service skills; ability to conduct field inspections; proficiency in standard computer applications such as Word, Excel and PowerPoint.

DESIREABLE QUALIFICATIONS: Knowledge of agriculture, water chemistry, soil science, land and water use interactions; experience in project and contract management; the ability to work independently and under pressure; good interpersonal skills; and good organizational skills.

WHO MAY APPLY: Applicants must hold a current appointment or possess list, transfer or reinstatement eligibility to the Water Resource Control Engineer, Environmental Scientist, Land and Water Use Scientist or Engineering Geologist classifications. Current reemployment, SROA and surplus provisions will be followed.

Permanent- Full time, Final Filing Date: December 31, 2004 Submit standard application (Form 678) and resume (including five references) to Bill Croyle, Irrigated Lands Conditional Waiver Program Manager at the above address, or fax (916) 464-4681. A preliminary review of applications will be made, and those most qualified and eligible will be scheduled for an interview. For further information, contact Bill Croyle at (916) 464-5817 or email: croylew@rb5s.swrcb.ca.gov
